# Furniture Construction

- ◊ Screws are used to assemble your furniture—not nails
- ◊ Backs are fastened with screws—not staples
- ◊ When backs are exposed, beaded tongue- in-groove solid pine boards are used
- ◊ Tack slides on feet
- ◊ Built with quality Eastern White Pine
- ◊ Inside and backs of cabinets are all finished
- ◊ Standard Finish—Sealer, 2 coats of paint, sand through, then highlighted with stain
- ◊ Optional distressing & antiquing

## Paint Colors

## Paint Colors

## Antique Distressed Colors

On lighter colors you will have some bleed-thru because of knots in the wood. We are not responsible for this as we have no control of what the wood will do. We will do all we can to avoid this.
