6102

DON'T SEE WHAT YOU WANT? WE CAN MAKE IT!

We offer completely custom signs. All you need to do is send us a quote, bible verse, or picture and we'll cut it out for you! Prices will vary.

Orchard Drive Fabrication was founded in 2006 when we began building children's playground sets out of steel as a side hustle. Our co-founder, Mike, left his job at a factory in 2012 to run the company full time. From there we added a firepit line, a hook line, and later began collaborating with local furniture builders to create a mixed material interior furniture line as well. In 2022 our co-founder, Elaine, endured an extended hospital stay due to a life threatening illness. This experience deepened our faith, which prompted us to pursue a way to spread the Gospel through Orchard Drive Fabrication. It just so happened that we purchased a Plasma cutter right around the same time as Elaine's hospital stay. The Lord directed us to create a line of decorative signs with Bible verses and inspirational quotes. Our hope is to instigate conversations surrounding the Lord and bring the Gospel to as many people as possible with this new endeavor.
