2026 CATALOG

Specializing in Occasional Pieces
and **ANY CUSTOM WORK.**

about us...

We, Pines Wood Creations, got our name from the many Pine trees along our driveway in 2022. We began this part of the business after purchasing the designs and bookshelves from the former Honeybee Furniture. We also offer any custom shelving that any customer comes up with. We always are open to any ideas and creations. Our goal is to build quality hand-crafted furniture with customer satisfaction as our top priority!
